2020-2021.

### Anti Ragging Committee.

The functions of Anti Ragging Cell will be to keep a vigil & stop the incidences of Ragging. If any happenings report in the places of student aggregation including classroom Ground etc. The member will also educate the student at large by adopting various means about the menace of Ragging & related punishment there to. A gamut of positive reinforcement activities are adopted by Anti Ragging cell for orienting students & molding their personality for a better case.
