BEST PRACTICE-I
College Activities for Inculcation of Social Responsibility

1. Title of the Practice

“College activities for inculcation of social responsibility”

2. Objectives of the Practice

1. Participation of students in social activities
2. To inculcate values amongst the students.
3. To make students a responsible person
4. To provide platform to show their hidden talent.
5. To boost the self-confidence of the students.
6. To develop spirit of team work among the students and staff.
7. To release the stress of the students.
8. To inculcate leadership among the students.
9. To develop healthy relationship.

3. The Context

Apart from curricular activities students should know the importance of social values. Students are required to take experience out of the four walls of the classroom. So, it is the need of time to mix with society to know their problems.

As per the mission of the college of quality education, empowering personalities and development of responsible members of the society and to achieve the goals of the college like to develop humanism, spirit of enquiry and reform in the youth of society, development of various basic skills among the students so as to become independent members of the society and to provide platform for the development of physical, mental and moral strength through sport, extension and co-curricular

activities, college provides ample of opportunities to the students through the organization of cultural activities throughout the session.

4. The Practice

Our college team conducted various programs like AIDS awareness, tree plantation, cleanliness and voter awareness program.

Our college conducted various commemorative days like birth and death anniversary of great Indian son of India, International yoga day, National days Constitution day etc.

At the beginning of the session the plan of action of the cultural activities is prepared by the Professor Incharges. Student representative council of the college is established at the beginning of the session. It includes one student representative who is excellent in cultural activities. Celebration of Independence day, Republic Day, NSS day, Science Day, Mahatma Gandhi Jayanti, Gadge Baba death anniversary, Savitribai Fule Jayanti, Vivekananda Jayanti, Gadge Baba Jayanti, Science day, World Women day.

On the eve of independent and Republic day cultural activities like Dance and Singing on patriotic theme are performed by students. Youth festival is organized by the parent University every year.

The opportunity to develop leadership and to show hidden talent amongst students is mainly given to them in the annual mega cultural event i.e. Annual Social Gathering. During this year 561 students show their involvement. Cultural activities included One act play, Mime, Painting, Antakshari, Mehendi, Rangoli, Handy craft exhibition, Dance, Singing Fancy dress, One man Show, Drama, Musical drama, Pass to pass and many other entertaining programmes. Programme is organized by student's representative council. Teacher and student organizers are appointed for each event. Winners are felicitated by giving them awards and certificate is given to each participant in the prize distribution ceremony. Some simple games like musical chair, Potato race, Three legs, Rashikhech, Bhala throw, Cricket, Holly ball, Carom, Ball bat Minton are organized on one Sport Day celebration. Date of some cultural events and participation of student is summarized as follows

5. Evidence of Success

This practice provided the platform to the students to mix directly with the society to enrich their experiences.

This practice provided the platform to the students to express their ideas by cultural programmers.

6. Problems Encountered and Resources Required

1. Main problem was encountered is that social involvement in the various extension activities is impossible.
2. Due to arrangement of cultural activities 3 to 4 teaching days are affected.
3. Students required more time to switch from enjoyment mode to the study mode.
4. Due to lack of self confidence some student required more force to take involvement in cultural activities.
5. In some students need to inculcate value of cultural activities.
6. Management of time schedule of cultural activities due to semester pattern.

7. About Rs. 120000/- amount is required to conduct all cultural activities throughout the session. Rs. 200/- collected from each student is collected as extracurricular activity fees. Rs. 100329/- was collected from students and about Rs. 20000/- are expended on this head and remaining expenses are meet out from the college account.

7. Notes:

In the present scenario it is the need of higher education to conduct such activities so that their students after graduation will be acquainted with the problems of the society and implement their experience in their personal life.

Every year cultural programmes are organized for the students in the college campus to enhance their ideas and art.
