

VIDNYAN MAHAVIDYALAYA, MALKAPUR

BEST PRACTICE-II

2021-22

Extension Activities

1. Title of the Practice

“Extension activities throughout the year”

2. Objectives of the Practice

- a) Participation of students in social activities
- b) To inculcate values amongst the students.
- c) To make students a responsible person

3. The Context

Apart from curricular activities students should know the importance of social values. Students are required to take experience out of the four walls of the classroom. So, it is the need of time to mix with society to know their problems.

4. The Practice

- a) Generally mentally disordered person are not supported by society and even by their family. At Palaskhed Dist- Buldana “Seva Sankalp Pratishthan” is taking responsibility of such 150 peoples. Our college team visited to such people and helps them by serving food material, cloths and other daily need material.
- b) Our college team conducted various programs like AIDS awareness, tree plantation, covid vaccination, cleanliness and voter awareness program.
- c) Our college conducted various commemorative days like birth and death anniversary of great Indian son of India, International yoga day, National days Constitution day etc.

5. Evidence of Success

This practice provided the platform to the students to mix directly with the society to enrich their experiences.

6. Problems Encountered and Resources Required

Main problem was to take all the necessary precautions like social distancing due to covid-19 situation during the practice. Various experts and staff members were involved to guide to the students.

7. Notes

In the present scenario it is the need of higher education to conduct such activities so that their students after graduation will be acquainted with the problems of the society and implement their experience in their personal life.
