Okk

1. Overall teaching are good.
2. Improvement need in projector teaching.

Campus

Everything is correct in my opinion

- 1) Take more practical.
- 2) Teaching is more better using projector.
- 3)

No.!!

Try to reach every student and ask for their doubts.

Institution should include modern day economic topics in our syllabus. Now that we are overcoming global pandemic, institution should start focusing on student exchange program and internship programs

No suggestion

No improvement required because all facilities already available in our college.

Best experience

- 1) Complete the syllabus
- 2) enjoying activities is not be good

Other

1) There are many computers in the computer lab but those computers
A few computers have technical issues, but new computers should be provided.

2) Maximum teacher should use projector.

3) An indoor stadium should be constructed in the college.

No suggestions

Good teaching

Effective communication,
Regular tests,
Collaborative learning(Seminar),
Explanation of concepts through real world things,
Arranging question game to make the session interactive and learning process interesting.

No suggestion

1. Kindly give most projects Real time Problem Solve.
2. Courses can be more referer oriented.
3. New technology monthly update can be given.

1. Use better graphics and visual media to engage students well.
2. Try to reach every student and ask for their doubts.
3. Make teaching a two way interaction.

Institute can make more efforts in order to improve Library facility. Sometimes environment in library is not much studious. it is better to enhance the environment in Library so students can

improve their focus in studies.

1 use better graphics and visual media to engage student well

2 Make teaching a two way interaction

3 Try to reach every student and ask for their doubts

Call companies for placements

1) Good facilities

2) Any time available to teach

3)

Understanding Teaching language

Basic Teaching in simple language

Leads to Modify study

Big Ground

Less use of smart board..as the teacher only reads out loud written on the screen..

Its good I am satisfied.
